

FOREWARD

This collection of Knoxville News-Sentinel (TN) articles was begun in February 2020 for the purpose of making historical information available for the 90th Anniversary Celebration of North Knoxville Baptist Church in Knoxville, TN. The Celebration was scheduled for March 29, 2000, but was cancelled because of the COVID-19 Pandemic. The church was founded January 19, 1930.

This is a fairly complete set of articles published from 1930 through 2023 in the Knoxville News-Sentinel about North Knoxville Baptist Church. A few articles were omitted because they had no useful information concerning the history of the church. The search engine failed to find all files pertaining to the church, but no doubt it found the vast majority of them. All images were obtained by copying from the website of the Knox County Library System, and a personal subscription to Newspapers by Ancestry. com. Some of the images, particularly photos, did not reproduce well when they were digitized for the websites.

Some articles were modified by piecing them back together in a more readable format to fit the layout of the articles. Type sizes varied as well as sometimes being spread over several columns or pages, and photos were separated from articles. Also, a few of the referenced page numbers shown are sometimes off by one or two pages.

The articles are divided into 11 volumes covering the time periods shown below.

Volume 1	1930	through	1949
Volume 2	1950	through	1959
Volume 3	1960	through	1969
Volume 4	1970	through	1979
Volume 5	1980	through	1984
Volume 6	1985	through	1989
Volume 7	1990	through	1994
Volume 8	1995	through	1999
Volume 9	2000	through	2009
Volume 10	2010	through	2014
Volume 11	2015	through	2023

(Nebraska mission-continued)

IN BRIEF

Some fun included with work on youth mission trip

The youth group at North Knoxville Baptist Church recently completed a mission trip to the Omaha and Lincoln, Neb., areas. The team consisted of 19 youth and seven advisers/chaperones.

The team departed on July 7 and returned July 14. They were part of a mission team that included groups from four churches from the West Tennessee area. All team members were housed and fed at the East Nebraska Baptist Center in Omaha.

The NKBC group was split into two teams, and each worked on several projects in Lincoln. One team was responsible for erecting a wooden privacy fence in a residential neighborhood.

The owners of the property are members of a newly established Baptist church in the area, and plan to use their yard for church activities.

The other team worked on several projects for needy residents of a large mobile-home park. Projects included repairing interior floors and roofing a porch of one home. Decks were repaired and painted at two other homes. Another home received a new paint job on the entire exterior. Some other minor jobs were completed after the major projects were completed. The teams worked mostly in the mornings, and conducted games and Bible studies in the afternoon for neighborhood children.

The mission trip was headed by the Rev. **Phil Glass**,

youth director at NKBC. The group's hard work was rewarded with a visit to Six Flags theme park and the Gateway Arch in St. Louis on the trip home.
